# A Menagerie of Songs

*After a memorable session in 2014, Christopher Wray and Sarah Skinner join forces once again to lead 6-16 year olds on our Main Course, where we shall be discovering some of the many great songs inspired by animals and birds of all kinds. Beginners to experienced singers will find plenty for them here: big choruses, comedy numbers, semi-staging and singing in parts, leading to an entertaining performance for parents and friends in St Peter's Arts Venue on White Hart Street on Wednesday evening.*

*On Tuesday 11th, Sarah also leads a Toddlers' Hour for 3-5 yrs old, from 10.00-11.00, while later that day, from 4.15 - 5.45, there will be a four part harmony session for older singers (15yrs+) who will also perform in the concert.*

**Fully supervised by a CRB validated team, the course runs over two days: from 9.30-3.45 on Tuesday 11th August and 1.30-8.00 (concert at 7.15) on Wednesday 12th August.**
